- **General race information**
- **16/17 years old: Rules**
 - Weapons fixed at maths. Not to be carried on their backs
 - Be aware of standing shootings: Do not at any time point the gun sideways. Up or towards target is correct.
- **Weapon security**
 - Norwegian rules are strict compared to some foreign countries.
 - Trigger control from 09.00 at the garage. Min limit: 500grams
 - Weapon control after zeroing for juniors. At the end of the shooting range (with target no. 1).
 - It is the athletes own responsibility that they are crossed out on the list. Tell them to check! Team captain should also check after zeroing finish.
